

Computer Science Mentorship Program for *girls*

```
Mentor->her;  
her_Esteem++;  
#include <her>
```

```
We.setExample4her();
```

```
double her_Confidence();
```

```
throw "away stereotypes";
```

New CODE4her Session!

Let *her* learn to program with Sphero SPRK+ Robots at these five 2.5 hour mentoring meetings held 1:30-4pm on BGSU campus on five Sundays of 2018

- September 9
- September 30
- October 21
- November 11
- December 2

*Spaces are limited!
Reserve her spot today!*

Each girl (5th through 8th grade) will work with the same BGSU student mentor and member

Registrations are accepted on a first-come-first-served basis at <http://code4her.org>.
