

Computer Science Mentorship Program for *girls*

```
Mentor->her;  
her_Esteem++;  
#include <her>
```

```
We.setExample4her();
```

```
double her_Confidence();
```

```
throw "away stereotypes";
```

New Program! New Session!

"Let *her* learn to program with Lego EV3 Robots"
at these five 2.5 hour mentoring meetings
held in Hayes Hall 020 on BGSU campus.
Five Sundays 1:30-4pm

August 27
September 24
October 22
November 12
December 3

*Spaces are limited!
Reserve her spot today!*

Each girl (5th through 8th grade) will work with the same
BGSU student mentor and member of
BG Women in Computing student organization.
